# CORPORATE GOVERNANCE REPORT

The Report for the financial year ended March 31, 2022, on compliance by the Company with the Corporate Governance provisions as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) is given below.

## i. COMPANY'S PHILOSOPHY ON THE CODE OF CORPORATE GOVERNANCE

We are committed to sound & effective practices in corporate governance and full & fair disclosure. The Board of Directors and Senior Management conduct themselves so as to ensure transparency and foster a culture of good decision-making. At a macro level, the Company's governance philosophy rests on the following key principles while ensuring compliance with applicable laws:

- Board accountability towards all its stakeholders
- Strategic guidance and effective monitoring by the Board
- Equitable treatment of all stakeholders and
- Transparency and timely disclosures

Strong leadership and effective corporate governance practices have been the Company's hallmark inherited from the Adventz culture and ethos. The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come. The Company has had a strong legacy of fair, transparent and ethical governance practices.

Your Company places great emphasis on empowerment, integrity and safety of its employees, diversity, transparency in all its dealings and accountability towards all the stakeholders. It is a firm conviction of the Company that good Corporate Governance practices are powerful enablers, which infuse trust and confidence and are able to attract and retain financial and human capital. Your Company has an active, experienced and a well-informed Board. Through the governance mechanism in the Company, the Board along with its Committees undertakes its fiduciary responsibilities towards all its stakeholders by encompassing best practices to support effective and ethical leadership, sustainability and good corporate citizenship. The Company will continue to focus its resources, strengths and strategies, while upholding the core values of transparency, integrity, honesty and accountability, which are fundamental to Adventz Group.

### Governance Framework

- Effective and Independent Board, separation of the Board's supervisory role from the CFO/Manager and constitution and functioning of Board Committees.
- The Board functions either as a full Board or through various Committees constituted to oversee specific functions.
- The Management provides the Board and Committees detailed reports and updates the status of Company's performance, key regulatory developments and adherence to Compliance periodically.
- The CFO/Manager of the Company presents the performance of the Company and its Subsidiaries and material developments on a quarterly basis.
- Ensuring the integrity of accounting and financial reporting systems, including independent audit

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), as applicable, with regard to corporate governance.

## ii. BOARD OF DIRECTORS

The Board of Directors has the overall responsibility to guide the organisation and provide strategic direction. The Board is responsible for the long-term sustainable success of the Company by setting its strategy and purpose, promoting the desired culture and ensuring that an appropriate risk management framework is in place. The day to day management of the affairs of the Company is entrusted with the senior management personnel, headed by the Manager and CFO, who functions under the overall supervision, direction and control of the Board of Directors (“the Board”) of the Company. The Board meets regularly to discuss, review and decide upon the matters such as policy formulation, setting up of goals, appraisal of performances with the goals and control functions, etc.

- i. The Company has in all 6 Directors with considerable professional experience in divergent areas connected with corporate functioning. Out of these 6 directors, 3 (50%) are Independent Directors. The composition of the Board is in conformity with the Listing Regulations. The Board is headed by the Non-Executive Independent Chairperson Mr. Rewati Raman Goenka.
- ii. The Independent Directors take part in the proceedings of the Board and Committee meetings which enables qualitative decision-making. They do not have any material or pecuniary relationship or transaction with the Company, its promoters, promoter group, its directors, management, subsidiaries or associates.
- iii. As per the disclosure received by the Company from the Directors, none of them is member in more than ten committees, nor as Chairman of more than five committees across all companies in which they are Directors, in compliance with Regulation 26 of SEBI (LODR) Regulations, 2015 as well as not have been debarred or disqualified from being appointed or continuing as director by SEBI/ MCA or any other statutory authority. The Directors intimate the Company about the committee positions they occupy in other companies and also notify changes from time to time.
- iv. The Independent Directors have confirmed that they satisfy the ‘Criteria of Independence’ as stipulated in Section 149(7) of the Companies Act, 2013 read with Regulation 25 of SEBI (LODR) Regulations, 2015. Independent Directors do not serve in more than 7 listed companies.
- v. The Board looks at strategic planning and policy formulation. The Board meets at least once in every quarter to review the Company’s operations and the maximum time gap between any two meetings is not more than 120 (One Hundred Twenty) days.
- vi. The Independent Directors (IDs) met on 11<sup>th</sup> April 2022 without the presence of the Non- Executive Non-Independent Directors and the Management Team. The meeting was attended by Independent Directors in person and which enabled them to discuss various matters pertaining to the Company’s affairs and thereafter put forth their combined views to the Board. The IDs reviewed the performance of non-independent directors, chairperson, co-chairperson and the Board as a whole as well as the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties. The Board is of the opinion that independent directors fulfils the conditions specified in the Listing Regulations as amended from time to time and are independent of the management.
- vii. The Board has identified the following skills/expertise/competencies fundamental for the effective functioning of the Company. These are presented as a matrix below:

### Familiarisation Programme

In terms of Regulation 25(7) of SEBI (LODR) Regulations, 2015, the Company is required to conduct Familiarisation Programme for Independent Directors (IDs) to familiarise them about the Company including nature of industry in which the Company operates, business model of the Company, roles, rights and responsibilities of IDs and any other relevant information. As a part of the familiarisation programme, presentation was made to the Independent Directors giving a brief overview of roles, responsibilities and liabilities of Independent Directors under Corporate Governance norms with focus on constitution of various Committees under the Companies Act, 2013.

Significant Statutory updates are circulated as a part of the agenda of the Board Meetings through which Directors are made aware of the significant new developments and highlights from various regulatory authorities viz. Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA), other statutory authority etc.

Pursuant to Regulation 46 of the Listing Regulations, the details of familiarization programmes are available on the website of the Company at the web-link and can be accessed at <http://www.poddarheritage.com/policies/familiarization-programme.pdf>.

### Performance Evaluation

The Company had in place a policy on Performance Evaluation wherein it had laid down criteria for Performance Evaluation of the Board (including Committees) and every Director (including Independent Directors and Chairperson) pursuant to provisions of Section 134, Section 149 read with Code of Independent Directors (Schedule IV) and Section 178 of the Companies Act, 2013 and Regulation 19(4) read with Part D of Schedule II of SEBI Listing Regulations, 2015 covering inter-alia the following parameters namely:

- i. For Board Evaluation - degree of fulfillment of key responsibilities; Board culture and dynamics.
- ii. Board Committee Evaluation - effectiveness of meetings; Committee dynamics.
- iii. Individual Director Evaluation (including IDs) - contribution at Board Meetings.

Further, the Chairperson is evaluated on key aspects of her role which includes inter- alia effective leadership to the Board and adequate guidance to the Managing Director.

During the year under review, the Board carried out annual evaluation of its own performance as well as evaluation of the working of various Board Committees. This exercise was carried out through a structured questionnaire prepared separately for Individual Board Member and Board Committees based on the criteria per Policy on Performance Evaluation and in context of the Guidance note dated January 05, 2017 issued by SEBI.

Based on these criteria, the performance of the Board, various Board Committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee and Individual Directors (including Independent Directors) was evaluated and found to be satisfactory.

During the year under review, the Independent Directors of the Company reviewed the performance of Non- Independent Directors, the Board as a whole and of the Chairperson of the Company, taking into account the views of Executive Director and Non- Executive Directors.

Further, the Independent Directors hold unanimous opinion, that the Non-Independent Directors including the Chairperson bring to the Board, abundant knowledge in their respective field and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of the Company. The Board as a whole is an integrated, balanced and cohesive unit where diverse views are expressed and dialogued when required, with each Director bringing professional domain knowledge to the table. All Directors are participative, interactive and communicative.

The Chairperson has abundant knowledge, experience, skills and understanding of the Board's functioning, possesses a mind for detail, is meticulous to the core and conducts the Meetings with poise and maturity.

All Independent Directors have confirmed in their Annual Declaration to the Board that they have complied with all the criteria of Independence as provided in Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (LODR) Regulations, 2015. All the Independent Directors have taken registration online with the databank of Independent Directors maintained by the Indian Institute of Corporate Affairs, Manesar (Haryana) in accordance with the provisions of Section 150 of the Companies Act, 2013.

### Information in respect of clause 11(8):

#### **Share Transfer System:**

The Company's shares are in compulsorily Demat trading mode in the Stock Exchanges. Pursuant to Regulation 46 of SEBI (LODR), Regulations, 2015 Company's email id for grievance redressal purpose is [corp@poddarheritage.com](mailto:corp@poddarheritage.com) where complaints can be lodged by the investors.

The Securities and Exchange Board of India ('SEBI') and Ministry of Corporate Affairs ('MCA') during FY 2018-19, has mandated that existing members of the Company who hold securities in physical form and intend to transfer their securities after April 1, 2019, can do so only in dematerialised form, except in case of requests received for transmission or transposition and re-lodged transfer of securities. Therefore, necessary intimation was sent by the Company to the members regarding the restriction on transfer of securities in the physical form and members holding shares in physical form were requested to consider converting their shareholding to dematerialized form within the due date. Further SEBI vide circular no. SEBI/HO/MIRSD/RTAMB/CIR/P/2020/236 dated December 2, 2020 had fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode.

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022, mandated all listed companies to issue securities in dematerialized form only while processing the service request of issue of duplicate securities certificate, claim from Unclaimed Suspense Account, renewal/exchange of securities certificate, endorsement, sub-division/ splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition.

Now share transactions in electronic form can be effected in a much simpler and faster manner. After a confirmation of a sale/purchase transaction from the broker, shareholders should approach the Depository Participants ('DP') with a request to debit or credit the account for the transaction. The DP will immediately arrange to complete the transaction by updating the account. There is no need for a separate communication to the Company to register these share transfers.

Shareholders should communicate with the Company's Registrars and Transfer Agents ('RTA') quoting their folio number or Depository Participant ID ('DP ID') and Client ID number, for any queries relating to their securities at the above mentioned addresses or at their branch offices, addresses of which are available on their website or at the Registered Office of the Company.

#### **Nomination Facility**

Shareholders whose shares are in physical form and wish to make/change a nomination in respect of their shares in the Company, as permitted under Section 72 of the Companies Act, 2013, may submit to RTA the prescribed Forms SH-13/SH-14. The relevant forms are available at [www.poddarheritage.com](http://www.poddarheritage.com) under the Forms Tab.

#### **Shares held in Electronic Form**

Shareholders holding shares in electronic form may please note that instructions regarding change of address, bank details, email ids, nomination and power of attorney should be given directly to the DP.

#### **Shares held in Physical Form**

Shareholders holding shares in physical form may please note that instructions regarding change of address, bank details, e-mails ids, nomination and power of attorney should be given to the Company's RTA.

SEBI vide circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/655 dated November 3, 2021 had laid down common and simplified norms for processing Investor's Service request by RTAs and norms for furnishing PAN, KYC details and nomination. As per the above said circular the shareholders holding physical securities

are required to mandatory furnish PAN, KYC details and Nomination by holders and are also required to link PAN with Aadhaar. The said circular stipulates that folios wherein the required documents are not made available on or before April 1, 2023 shall be frozen by RTA. The Company had sent relevant communication to all physical holders along with relevant Forms to enable the shareholders to update the PAN, KYC and other relevant details with RTA/Company in line with the SEBI directives. The PAN, KYC and other relevant documents are being processed by RTA on receipt from the shareholders. The relevant Forms are also made available on the company's website at [www.poddarheritage.com](http://www.poddarheritage.com) under the Forms Tab.

### **Green Initiative**

As a responsible corporate citizen, the Company welcomes and supports the 'Green Initiative' undertaken by the Ministry of Corporate Affairs, Government of India, enabling electronic delivery of documents including the Annual Report, amongst others, to shareholders at their e-mail address previously registered with the DPs and RTAs.

Shareholders who have not registered their e-mail addresses so far, are requested to do the same. Those holding shares in demat form can register their e-mail address with their concerned DPs. The Company has requested and sent reminders to shareholders to register and /or update their email - address with the Company's RTA, in case shares held in physical mode and with their respective Depository Participants, in case of shares held in dematerialized mode.

During the year under review, there were neither any such requirements to display any official news release nor presentations are made to institutional investors or to the analysts.

The Compliance Officer of the company on basis of Scores Registration is the Company Secretary of the company. The complaints of the shareholders are to be processed through the RTA. The contact addresses of both are provided:-

# **Management Discussions and Analysis Report**

*Annexure to the Directors' Report for the year ended 31<sup>st</sup> March, 2022*

## **Economic Overview**

Despite the Coronavirus pandemic, the non-banking financial companies (NBFCs) showed a lot of resilience in 2021 and are expected to witness continued momentum in growth in the year of 2022 also. This year, the growth to be driven by the uptick in the economy, stronger balance sheet and improved capital positions of NBFCs. The global economy recovered fairly in financial year 2021-22 from the adverse impacts of COVID-19 pandemic. Large-scale vaccination drives around the world, coupled with accommodative policy measures, boosted economic recovery.

On the other hand, gross non-performing assets (NPAs) of NBFCs are likely to rise, following the Reserve Bank of India's (RBI) move to tighten the NPA norms in November 2021. The rebound in the second-half of 2021-22 on the back of the pent-up demand and after relaxation of the COVID-19 lockdown supported growth and earnings performance. To strengthen supervision over NBFCs, the Reserve Bank of India (RBI) introduced scale-based regulation and revised NPA recognition and upgradation norms during to be effective from later date.

On this basis Audited Standalone and Consolidated Financial Statements, Financial Results for the quarter and year ended 31st March 2022 and other disclosures for the purpose of filing with the Stock exchanges where the shares are listed have been prepared are also presented.

The Financial Year 2021-22 was a year of recovery from the adverse impacts of COVID-19 pandemic. The Indian economy faced the challenges posed by the second and third waves of the pandemic, thanks to successful implementation of vaccination program, untiring services of the front line warriors, fiscal and monetary policies, stimulus measures of Reserve Bank of India, Central and State governments which gave a much-needed impetus for the stability of the economy.

According to the second advance estimates of India's Gross Domestic Product (GDP) published by the National Statistical Office for the financial year 2021-22, GDP growth in the first and second quarter was 20.1% and 8.4% (source: [www.phdcci.in](http://www.phdcci.in)) respectively. In the third quarter, the GDP growth slowed down to 5.4% (source: [www.phdcci.in](http://www.phdcci.in)). In the fourth quarter, India witnessed third wave of infection but remained largely unaffected owing to vaccination of large proportion of population. The geopolitical crisis of Russia-Ukraine war, which started in the last week of February 2022, is casting uncertainty over the global economy, with increased volatility in crude prices and inflationary trends across commodities. The consequential financial sanctions and political pressure from the war are causing unpredictable and undesired implications on the global financial system and our economy due to rising crude oil and other commodity prices leading to higher inflation.

## **Industry Structure and Developments**

The country's financial services sector consists of capital markets, insurance sector and non-banking financial companies (NBFCs).

The long-term growth perspective of the Indian economy remains positive due to its young population and corresponding low dependency ratio, healthy savings, and investment rates, increasing globalisation in India and integration into the global economy. The Finance Minister has provided the much-required relief to the pandemic-hit Indian economy with the tax proposals and have endeavoured to make India a more attractive destination for investments.

India's non-bank financial institutions (NBFI) face renewed asset quality and liquidity risks amid a second wave of coronavirus infections. It is believed that authorities have gained experience in balancing the trade-off between tighter restrictions and maintaining economic activity over the past year. Consumers and businesses are also

likely to better adapt their economic activity to the second wave of restrictions, as seen in other countries. Regulators appear keenly aware of the credit and liquidity implications of any broad, extended movement curbs, while NBFIs' day-to-day operations are also likely to be able to continue under the latest rules.

Asset quality may pose challenges for some NBFC's in the first half of fiscal 2023, largely determined by the behaviour of their restructured book. However, the fiscal is largely expected to build upon the momentum gained in the previous two quarters and see a sustained gradual growth path through the year, barring surprises on the covid front or an extended fallout of the geopolitical strife.

### **Opportunities and Threats**

Your Company is categorised as an NBFC-Investment and Credit Company i.e. a financial institution carrying on as its principal business of providing finance whether by making loans or advances or otherwise for any activity other than its own acquisition of securities. Many experts believe that the NBFC-Investment and Credit Company could play a vital role in the development of Indian economy. The NBFC-ICCs are could become a key player for facilitating the development of the small business or MSMEs financing markets. Most of the MSMEs are looking for small loans for their businesses which they may not get from big banks due to the strict norms or other unavoidable reasons. Now, due to ease of regulation brought by RBI, the AFC in the new category of NBFC-ICC can lend loans to these small businesses to restart their economic activities in the tough financial situation created by COVID-19. The Government has also facilitated credit flow to the NBFC-ICC to maintain liquidity which can further help the small business without facing any cash crunch.

The unpredictability in the stock market represents both opportunity as well as challenges for the Company. There are external risks as well, such as a more extreme slowdown in the global economy than anticipated. The Impact of the Covid pandemic on the corporate sector and investor confidence altogether will delay the pace of development for countries whose markets are at an earlier stage of development.

Many new micro lenders and peers to peers lending institutions are migrating themselves to small Banks, which are also working on the similar business model as the NBFCs do, thereby giving a very strong competitions to the NBFC's. One of the key challenges for the NBFCs is their higher cost of funds vis-a-vis the banks. However, NBFCs, in general, and your Company, in particular, are trying to find ways to diversify their source of funding, which could maximise the profitability.

NBFCs, in particular, enjoys a strong connect with the customers, unlike most banking institutions. Riding on this strong customer links and in-depth knowledge over the regional dynamics, NBFCs grew phenomenally during the last one decade. Moreover, NBFCs are strongly managed and regulated. Most NBFCs, including your Company, are managed by professionals having good experience in the financial sector.

### **Segment-Wise Performance**

Your Company has operated in one segment during the financial year 2021-22, hence segment reporting has not been given.

### **Financial Performance**

The operational incomes of the Company are derived from Interest on Inter-Corporate Deposits, Dividend. The total revenue for the financial year ended March 31, 2022 was Rs. 444.61 Lakhs as compared to total revenue of Rs. 412.89 Lakhs in the previous year.

### **Outlook**

The pandemic continues to pose major challenge to the entire world including India. However, it appears that the countries have now learnt the technique of adapting to the new normal- the new way of life. The duration and severity of spread of second wave of pandemic, roll out of two new vaccines (as per the recent announcement made by the Union Health Department) in addition to the existing two vaccines rolled out in February, 2021, the

scale and effectiveness of implementation of the ongoing vaccination program and the efficacy of monetary and fiscal policy actions of Indian Government are the important factors to impacting the pace of economic recovery.

The management of your Company is upbeat about India's prospects and is convinced that with the right reforms India will continue to surge ahead of its peers. Government's initiative on bringing regulatory reforms to facilitate ease of doing business in India, thrust towards growth of infrastructure sector with the financial inclusion will empower NBFCs to participate in the growth and development phase.

In view of the present economic scenario, the Management has decided to place its primary concentration on its traditional investments, while looking for lucrative avenues for growth and development.

### **Discussion on financial performance with respect to operational performance**

The following are the significant areas of financial performance during the year under review:

- ❖ Revenue from operation was Rs. 444.61 Lakhs during the year as compared to Rs. 412.89 Lakhs during the previous year.

We started the year on an uncertain note given the onset of the pandemic, the consistent support by the Reserve Bank of India helped in keeping yields soft. The impact of the pandemic can be seen on both asset quality and liquidity, although the latter was addressed to a considerable extent through timely policy measures. The profitability of NBFCs dipped in the immediate aftermath of the COVID-19 as businesses suffered economic losses due to nation-wide lockdowns.

Since the first quarter of F.Y. 2021-22, equity markets globally witnessed a sustained recovery following the volatile decline during the last quarter of F.Y. 2020-21. Indian equity markets also exhibited a similar recovery following the decline in F.Y.2019-20. Over the last few years, there has been a gradual increase in net financial savings and its share in the overall household savings in India has stabilized with an upwards bias.

Despite COVID-induced turbulence, Indian equity markets showed their best performance in a decade in FY 2021-22. Persistent traction in foreign flows and brighter domestic economic outlook as reflected through steady improvement in several high frequency indicators and better expected Q4FY 2020-21 corporate earnings also kept investor sentiments afloat. This was further supported by stimulus measures announced by the Government and liquidity measures adopted by RBI.

In a volatile market environment the Company earned a total income Rs.444.61 lakhs as against Rs.412.89 lakhs in the previous year which includes interest income, dividend income and sale of shares. The Company has seen a noticeable fall in revenue mainly because the bulk of the previous year's revenue was derived from disposal of shares/investments. This year the Company has focused on reserving its investments after the fallout of the last year and regain its previous market/fair value. The Loss before tax stands at Rs.67.26 lakhs as compared to a profit of Rs. 294.48 lakhs in the last year due to provision for doubtful assets being created in the present year. The current year has shown considerable growth in the stock market with Sensex and Nifty touching new highs and it is assumed that such growth in the market shall definitely lead to if steady growth in the investments scenarios for the Company.

The Company has not any amount to Reserve Fund as per Prudential norms of Reserve Bank of India as applicable to us being NBFC due to losses in the current year.

Your Company has one Associate – Adventz Finance Private Limited, where it hold around 26.08% of the shareholding in the said Associate Company. As per applicable accounting, consolidation of financial numbers of associate is mandatory and as such Consolidated accounts of the company have also been

prepared and presented to you. The Profit of Rs. 1995.61 lakhs of Associate Company has been accounted for in the Profit and Loss Account and accordingly investment in such associate has been adjusted since it became associate.

Going forward, favourable demographic dividend, formalisation of the economy, growing financial inclusion, greater disposable income and investable surplus, increasing financial savings, higher investor awareness, investor friendly regulations, wide range of transparent and investorfriendly products, ease of investing, tax incentives, expanding distribution coverage and digitalization are expected to be key drivers for the growth of the investment industry

#### **Key financial ratio with explanations**

	<b>31st March 2022</b>	<b>31st March 2021</b>	<b>% change</b>
Debt to Equity Ratio	4.42	4.43	-0.23
Assets to turnover Ratio	0.04	0.04	-
Return on Equity Ratio	-0.12	0.41	-129.27

The Company has retained its borrowing percentage and thus has not seen much difference in its current liabilities.

The Company has had a consistent assets to turnover ratio yield.

The Company has registered a loss in their books as compared to past year which has resulted a negative in the return on equity.

#### **Change in Return on Net Worth with explanation**

In view of Covid-19 pandemic and prevailing market conditions the Return on Net Worth of the Company is 0.12 as compared to 0.13 for last year which does not make for a very varied percentage change for both the years. In view of

#### **Internal Control System**

The Company has been taking continuous steps to upgrade the system of internal audit to make the same contemporary and relevant with the changes in the Business and the environment in which the Company operates.

## SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31.03.2022

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

**To**  
**The Members,**  
**Adventz Securities Enterprises Limited**  
Hongkong House  
31, B. B. D. Bagh (S)  
Kolkata – 700001  
West Bengal

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Adventz Securities Enterprises Limited** having its Registered Office at Hongkong House, 31, B. B. D. Bagh (S), Kolkata – 700001, West Bengal (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31.03.2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

### **Auditors' Responsibility**

Maintenance of Secretarial Records is the responsibility of the management of the Company. My responsibility is to express an opinion on existence of adequate Board process and compliance management system, commensurate to the size of the Company, based on these secretarial records as shown to me

during the said audit and also based on the information furnished to me by the officers' and the agents of the Company during the said audit.

I have followed the audit practices and processes as were appropriate to the best of my understanding to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed, provide a reasonable basis for my opinion.

I have not verified the correctness, appropriateness and bases of financial records, books of accounts and decisions taken by the Board and by various committees of the Company during the period under scrutiny. I have checked the Board process and compliance management system to understand and to form an opinion as to whether there is an adequate system of seeking approval of respective committees of the Board, of the Board, of the members of the Company and of other authorities as per the provisions of various statutes as mentioned hereinafter.

Wherever required I have obtained the management representation about the compliance of the laws, rules and regulations and happening of events, etc.

I have relied upon the accuracy of the documents and information as shared by the Company with me through appropriate Information Technology tools to assist me in completing the secretarial audit work during lock down period due to unprecedented situation prevailing in the Country due to CoVID-19 virus pandemic and the same is subject to physical verification by me post normalization of the situation.

The Compliance of the provisions of Corporate and other applicable laws, rules, regulations and standards is the responsibility of the management. My examination was limited to the verification of compliance procedures on test basis.

My report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness or accuracy with which the management has conducted the affairs of the Company.

***I report that***, I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended 31.03.2022 according to the provisions of (*as amended*) :

- (i) The Companies Act, 2013 (the Act) and the rules made there under;

## **RELATED PARTY TRANSACTION POLICY**

**(As amended vide SEBI Circular dated 09<sup>th</sup> November, 2021 and adopted in the Board Meeting dated 28<sup>th</sup> February, 2022)**

The Reserve Bank of India, vide Notification No. DNBR. 019/CGM (CDS)-2015 dated April 10, 2015, issued the Non-Banking Financial Companies – Corporate Governance (Reserve Bank) Directions, 2015, applicable upon every non-deposit accepting Non-Banking Financial Company with asset size of Rs.500 crore and above (NBFCs-ND-SI). Adventz Finance Private Limited (the Company) is registered as Non-Banking Financial Company with Reserve Bank of India (RBI) and falls under the said category of Systematically Important Non Deposit taking Company.

Further, pursuant to the letter no. DNBS.RO.KOL No. 11213/00.13.232/2017-18 dated April 19, 2018, issued by the Reserve Bank of India to the Company, the Related Party Transaction (RPT) Policy has been adopted by the Board of Directors with effect from 29<sup>th</sup> May, 2018. The aforesaid policy has now been revised by the Board of Directors vide Board meeting dated 16<sup>th</sup> February, 2022

### **Reason behind formulating policy**

From 1st April, 2022 SEBI has mandated every listed Company to frame a policy on Related Party Transactions. This policy is framed as per the Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and In terms of Section 188 of the Companies Act, 2013, and is intended to ensure for proper approval and reporting of transactions between the Company and its Related Parties. The transactions with related parties shall be entered into only if they are in the best interest of the Company and its shareholders. Provisions of the Section 188(2) of the Companies Act, 2013 requires that Board’s Report of the Company shall contain all the particulars of the contracts or arrangements entered with related parties.

### **1. Preamble**

The Board of Directors (**“the Board”**) of ADVENTZ FINANCE PRIVATE LIMITED (**“the Company”**), has adopted the following policy and procedures in pursuance of Section 188 of the Companies Act, 2013 and Regulation 2(zb) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), with regard to Related Party Transactions as defined below. The Audit Committee will review and may amend this policy from time to time. The related party transactions are regulated by the Companies Act, 2013, the Rules framed thereunder and the Listing Regulations (collectively referred to as “Statutory Provisions”).

### **Purpose**

This policy is framed as per the Regulation 2(zb) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and in terms of Section 188 of the Companies Act, 2013, and is intended to ensure for proper approval and reporting of transactions between the Company and its Related Parties. This Policy will be applicable to the Company effective from 01<sup>st</sup> April 2022. The transactions with related parties shall be entered into only if they are in the best interest of the Company and its shareholders. The Companies Act, 2013 requires that Report of the Board of Directors of the Company shall contain all the particulars of the contracts or arrangements with related parties.

### **3. Policy**

All Related Party Transactions must be reported to the Audit Committee for approval of the Committee in accordance with this Policy.

All Related Party Transactions shall be placed before the Board for information. The approval of the Board and shareholders will be taken for all related party transactions, wherever required, under the provisions of the Companies Act, 2013 as amended from time to time.

#### **3.1 a) Identification of Potential Related Party Transactions :**

Each director and Key Managerial Personnel is responsible for providing notice to the Board or Audit Committee of any potential Related Party Transaction involving him or her or his or her Relative, including any additional information about the transaction that the Board/Audit Committee may reasonably request. The Audit Committee will determine whether the transaction does, in fact, constitute a Related Party Transaction requiring compliance with this policy.

The Finance Department shall ensure that no related party transactions are processed without the approval of the Audit Committee and it shall be duty of the Finance Department to communicate all related party transactions in advance to the Company Secretary to enable to take requisite approvals.

- b) a related party transaction to which the subsidiary of the Company is a party but the Company is not a party, shall require prior approval of the audit committee of the Company if the value of such transaction whether entered into individually or taken together with previous transactions during a financial year exceeds ten per cent of the annual consolidated turnover, as per the last audited financial statements of the Company;
- c) with effect from April 1, 2023, a related party transaction to which the subsidiary of the Company is a party but the Company is not a party, shall require prior approval of the audit committee of the Company, if the value of such transaction whether entered into individually or taken together with previous transactions during a financial year, exceeds ten per cent of the annual standalone turnover, as per the last audited financial statements of the subsidiary;
- d) prior approval of the audit committee of the Company shall not be required for a related party transaction to which the listed subsidiary is a party but the Company is not a party, if regulation 23 and sub-regulation (2) of regulation 15 of SEBI LODR are applicable to such listed subsidiary.

Explanation: For related party transactions of unlisted subsidiaries of a listed subsidiary as referred to in (e) above, the prior approval of the audit committee of the listed subsidiary shall suffice.

#### **3.2 Prohibitions related to Related Party Transactions**

All Related Party Transactions and subsequent material modifications shall require prior approval of Audit Committee of the Company. However, the Audit Committee may grant omnibus approval for Related Party Transactions proposed to be entered into by the company subject to the following conditions:

- a. The Audit Committee shall lay down the criteria for granting the omnibus approval in

line with the Related Party Transactions of the company and such approval shall be applicable in respect of transactions which are repetitive in nature.

b. The Audit Committee shall satisfy itself the need for such omnibus approval and that such approval is in the interest of the company;

c. The omnibus approval shall specify

(i) the name/s of the related party, nature of transaction, period of transaction, maximum amount of transaction that can be entered into,

(ii) the indicative base price / current contracted price and the formula for variation in the price if any; and

(iii) such other conditions as the Audit Committee may deem fit;

Provided that where the need for Related Party Transaction cannot be foreseen and aforesaid details are not available, Audit Committee may grant omnibus approval for such transactions subject to their value not exceeding Rs. 1 crore per transaction.

d. Audit Committee shall review, on a quarterly basis, the details of RPTs entered into by the company pursuant to each of the omnibus approval given.

e. Such omnibus approvals shall be valid for a period not exceeding one year and shall require fresh approvals after the expiry of one year.

f. Omnibus approval shall not be made for transactions in respect of selling or disposing of the undertaking of the Company.

g. The Board shall approve such Related Party Transactions as are required to be approved under Companies Act, 2013 and /or listing obligations and disclosure requirements and /or transactions referred to it by the Audit Committee.

h. All material related party transactions and subsequent material modifications as defined by the audit committee shall require prior approval of the shareholders through resolution and no related party shall vote to approve such resolution. Provided that prior approval of the shareholders of a listed entity shall not be required for a related party transaction to which the listed subsidiary is a party but the Company is not a party. For related party transactions of unlisted subsidiaries of a listed subsidiary as referred above, the prior approval of the shareholders of the listed subsidiary shall suffice.

i. All Related Party Transactions (other than Material Related Party Transactions) pursuant to section 188 of the Companies Act, 2013 which are not in the ordinary course of business or not an Arms' length transaction and cross the threshold limits prescribed under Companies Act, 2013 shall also require the approval of shareholders of the Company through Ordinary resolution. No Related Party shall vote to approve such resolution.

- j. The approval mechanism for Related Party Transactions shall be as stipulated in the Listing Regulations and/or Companies Act, 2013 and as amended from time to time.

### **3.3 Review and Approval of Related Party Transactions**

The Related Party Transactions and subsequent material modifications under omnibus approval granted by Audit Committee of the Company will be referred to the next regularly scheduled meeting of Audit Committee for review and approval.

To review a Related Party Transaction, the Committee will be provided with all relevant material information of the Related Party Transaction, including the terms of the transaction, the business purpose of the transaction, the terms of the Contract, and any other relevant matters.

In determining whether to approve a Related Party Transaction, the Committee will consider the following factors, among others, to the extent relevant to the Related Party Transaction:

- Whether the terms of the Related Party Transaction are fair and on arms length basis to the Company and the terms would apply on the same basis if the transaction did not involve a Related Party;
- Whether there are any compelling business reasons for the Company to enter into the Related Party Transaction and the nature of alternative transactions, if any;
- Whether the Related Party Transaction would affect the independence of an independent director;
- Whether the proposed transaction includes any potential reputational risk issues that may arise as a result of or in connection with the proposed transaction;
- Whether the Company was notified about the Related Party Transaction before its commencement and if not, why pre-approval was not sought and whether subsequent ratification is allowed and would be detrimental to the Company; and

Whether the Related Party Transaction would present an improper conflict of interest for any director or Key Managerial Personnel of the Company, taking into account the size of the transaction, the overall financial position of the director, Managing Director/Whole-Time Director or other Related Party, the direct or indirect nature of the director's, Key Managerial Personnel's or other Related Party's interest in the transaction and the ongoing nature of any proposed relationship and any other factors the Board/Committee deems relevant.

Notwithstanding the foregoing, the following Related Party Transactions shall not require the approval of Audit Committee:

- i. Any transaction that involves the providing of compensation to a director or Key Managerial Personnel in connection with his or her duties to the Company including the reimbursement of reasonable business and travel expenses incurred in the ordinary course of business.

- ii. Any transaction in which the Related Party's interest arises solely from ownership of securities issued by the Company and all holders of such securities receive the same benefits pro rata as the Related Party.
- iii. Any transaction that involves reimbursement of expenses between the related parties through debit note/credit note at actuals without any markup except for taxes that may be levied as per statutory requirements.
- iv. Transactions entered into between a holding company and its wholly owned subsidiary company whose accounts are consolidated with such holding company and placed before the shareholders at the general meeting for approval.
- v. Transactions entered into between two wholly owned subsidiaries of the listed holding company, whose accounts are consolidated with such holding company and placed before the shareholders at the general meeting for approval.

**1. Related Party Transactions not approved under this Policy**

In the event the Company becomes aware of a Related Party Transaction with a Related Party that has not been approved under this Policy prior to its consummation, the matter shall be reviewed by the Audit Committee. The Audit Committee shall consider all of the relevant facts and circumstances regarding the Related Party Transaction, and shall evaluate all options available to the Company, including ratification, revision or termination of the Related Party Transaction. The Committee shall also examine the facts and circumstances pertaining to the failure of reporting such Related Party Transaction to the Committee under this Policy, and shall take any such action it deems appropriate

**2. Disclosure of related party transactions**

Pursuant to Section 134(3)(h) of the Companies Act, 2013, particulars of contracts or arrangements with related parties referred to in Section 188 of the Companies Act, 2013 shall be disclosed in the Director's Report.

**3. Amendments:**

The Audit committee will review the Policy from time to time based on the related party transactions and make suitable modifications, as may be necessary. The Audit Committee shall have the sole powers and take necessary action in case of any difficulty in implementing this policy.

## **Report on the audit of Standalone Financial Statements**

### **Qualified Opinion**

We have audited the accompanying statement of quarterly and year to date standalone financial results **M/s. Adventz Securities Enterprises Limited (“the Company”)** which comprises the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in *Basis for Qualified Opinion* section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (India Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit (Including Other Comprehensive Income), Statement of Changes in Equity and its cash flows for the year ended on that date.

### **Basis for Qualified Opinion**

1. Rent under dispute and unascertainable as per management has not been accounted for
2. Land at Kolkata held as stock has been encroached upon and is yet to be mutated in the name of the company the same has been stated at Historical cost and not as per valuation determined as per ‘IND AS-2 Inventory’

Impacts with respect to 1 and 2 as mentioned above are presently not ascertainable and as such cannot be commented upon by us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on Standalone Financial Statement.

### **Emphasis of Matter**

We draw attention to the notes to the financial statement regarding –

- a. The security deposits given include Rs. 1.72 lakhs which have been taken at historical cost as the contracts have expired and further details are not available. The impact and consequential adjustment thereof are not presently ascertainable. (Refer Note 9 to the financial statements).
- b. Borrowings include Long term unsecured loan of Rs. 184.32 lacs which are subject to confirmation. Repayment dates of such loans have lapsed since long. Further interest and penal charges has not been provided. (Refer Note 10 to the financial statements)
- c. Lease at paharpur godown has not been renewed by Kolkata port trust (KPT) and KPT also has claimed compensation of Rs. 1.36 crores. The company is making payment currently as per direction of the court. The godown has been subleased by the company and process of recovery for rent & eviction suit has been initiated against the tenant which has been disposed by the District Court and decree obtained but appeal has been filed by the tenant in High Court during the year for stay of operation of the Order which is pending for disposal. **Key Audit Matters :**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed and communicated with management in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	How our audit addressed the Key Audit Matter
1	<p><b>Revenue Recognition on interest income, dividend income and gain/ sale of investments</b></p> <p>We focused on this area because of its majority in determining the company's revenue and risk of under/over estimation of revenue</p>	<p>We reviewed the process adopted for assuring the consistency in approach between accounting periods. ## **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Standalone Financial Statements and our auditors' report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

## **Responsibility of Management and Those charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income (changes in equity) and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, 2013 read with relevant rules issued thereunder and other Accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process

## **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

## Annexure A to the Auditor's Report

### The Annexure referred to in Independent Auditor's Report of even date to the members of ADVENTZ SECURITIES ENTERPRISES LIMITED, on the financial statements for the year ended 31<sup>st</sup> March, 2022

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right of-use assets.
- (B) The Company does not have any intangible assets. Hence, Para-3(i)(a)(B) of the Order is not applicable to the company.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the company, the Company has a regular programme of physical verification of the Property, Plant and Equipment by which all the Property, Plant and Equipment are verified every year. In accordance with this programme, all the Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of the Land & building as disclosed in the financial Statements are not held in the name of the Company as detailed below :-

## **Annexure B to the Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

1. In conjunction with our audit of the financial statements of ADVENTZ SECURITIES ENTERPRISES LIMITED ("the Company") as of and for the year ended 31 March 2022, we have audited the internal financial controls over financial reporting of the company of as of that date.

#### **Management's Responsibility for Internal Financial Controls**

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls over Financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

# ADVENTZ SECURITIES ENTERPRISES LIMITED

## Notes to the standalone financial statements for the year ended 31st March, 2022

### 1. A. COMPANY OVERVIEW

Adventz Securities Enterprises Limited ('the Company'), incorporated in Kolkata under the provisions of the Companies Act, 1956 having CIN No. L36993WB1995PLC069510, is a publicly held non-banking finance company listed on Calcutta Stock Exchange Limited, Delhi Stock Exchange Limited (Being Derecognised) and Metropolitan Stock Exchange of India Limited. The Company is registered as non-systematically important non-deposit taking Non-Banking Financial Company ('NBFC') as defined under Section 45-IA of the Reserve Bank of India Act, 1934.

### 1. B. SIGNIFICANT ACCOUNTING POLICIES

The Company has followed the same accounting policies in preparation of the standalone financial statements as those followed in preparation of the annual financial statements as at and for the year ended 31st March, 2022. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### a. Basis of Preparation and Presentation of the Standalone Ind AS Financial Statement

##### (i) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") 34, Interim Financial Reporting notified under Section 133 of the Companies Act, 2013 ("the Act") read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act and other Generally Accepted Accounting Principles (GAAP) in India.

##### (ii) Historical Cost Convention

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except certain financial assets and liabilities that is measured at fair value;

- Financial assets at Fair value through other comprehensive income (FVTOCI) that is measured at fair value
- Financial instruments at Fair value through profit and loss (FVTPL) that is measured at fair value
- Net defined benefit (assets)/liability – fair value of plan assets less present value of defined benefit obligation

##### (iii) Use of Estimates

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities (including contingent liabilities and assets) as on the date of the financial statements and the reported income and expenses for the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

##### (iv) Fair value measurements

Fair value is the price that would be received on sale of an asset or paid on derecognition of a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorises assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurements.

**Level 1:** Quoted prices (unadjusted) in active market for identical assets or liabilities.

**Level 2:** Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. available prices) or indirectly (i.e. derived from estimation).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

**Level 3:** Inputs for the assets or liabilities that are not based on observable market data.

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is applicable to listed instruments where market is not liquid and for unlisted instruments.

The management considers the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements are at their approximate fair value as on March 31, 2022 and March 31, 2021.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

**(v) Functional and Presentation currency**

These financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

**(b) Cash & Cash Equivalents and Cash flow Statement**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cashflows from operating, investing and financing activities of the Company are segregated.

**(c) Accounting for Taxes on Income**

Income Tax expense or credit for the period is the tax payable on the current period taxable income based on the applicable Income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

**(i) Current Tax**

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

**(ii) Deferred Tax**

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

Deferred tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

## **(d) PROPERTY, PLANT AND EQUIPMENT**

### **(i) Tangible Assets**

#### **Recognition and Measurement**

Property, plant and equipment held for use in the supply of goods or services, or for administrative purposes, are stated in the balance sheet at historical cost less any accumulated depreciation and accumulated impairment losses (if any). Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

#### **Subsequent Measurement**

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

#### **Depreciation and Amortization**

Depreciation on Property, Plant & Equipment is provided under Written Down Method at rates determined based on the useful life of the respective assets and the residual values in accordance with Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation. The estimated useful lives of assets for the current period are as follows:

<b>Category</b>	<b>Useful Life</b>
Furniture & Fixtures	10 Years
Vehicles	8 Years
Office Equipments	
- Computers	3 Years
- Fax Machine	5 Years
- Others	5 Years

Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

#### **Disposal of Assets**

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

### **(e) Leases**

Where the company is the lessee

The Company recognises right of use asset and a corresponding lease liability for all lease agreements in which it is a lessee, except for leases with a term of twelve months or less ( short term lease) and leases for low value underlying assets. For these short term leases and leases for low value underlying assets, the company recognises the lease payments as an operating expense on a straight line basis over the term of the lease. Right of use assets and lease liabilities include the option of extension/termination when it is reasonably certain that the option to extend the lease will be exercised/option to terminate the lease will not be exercised.

The right of use assets are initially recognised at cost, which comprise the initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct cost less any lease incentive. They are subsequently measured at cost less accumulated depreciation/amortization and impairment loss. Right-of-use assets are depreciated/amortized from the commencement date to the end of the useful life of the underlying assets by the end of the lease term or if the cost of right of use assets reflects that the purchase option will be exercised. Otherwise, right of use assets are depreciated/amortized from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying assets.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

The lease liability is initially measured at amortized cost at the present value of future lease payments. The lease payments are discounted using the interest rate implicit in the lease or if not readily determinable, using the

incremental borrowing rate. Lease liabilities are re-measured with a corresponding adjustment to the related right to use the assets if the company changes its assessment whether it will exercise an extension or a termination option.

The Assets and liabilities taken on lease where the leases have expired, the rental expenses have been measured on straight line basis as per terms of the original lease.

**(f) Finance Cost**

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

**(g) Revenue Recognition**

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when the Company satisfies the performance obligation by transferring the promised goods or service to a customer.

**(i) Interest Income**

Interest income is recognised using the effective interest rate, except in the case of non-performing assets where it is recognized, upon realization, as per the Prudential Norms/Directions of RBI, as applicable to NBFC's.

**(ii) Dividend Income**

Dividend income is recognised when the right to receive payment is established.

**(iii) Rental Income**

Rental income is recognised in the statement of profit and loss on a straight line basis over the lease term, unless disputed.

**(iv) Income from investment**

Profit / (loss) earned from sale of securities is recognised on the trade date. The cost of securities is computed based on weighted average basis.

**(v) All other income are accounted for on accrual basis when right to receive is established unless otherwise specified.**

**(h) Employee Benefits**

**(i) Short-term Employee Benefits :**

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

**(ii) Post-employment benefits :**

The liability or asset recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Defined contribution plans

Contributions under defined contribution plans payable in keeping with the related schemes are recognised as expenses for the period in which the employee has rendered the service.

**(iii) Other long-term employee benefits**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured annually by actuaries as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

**i) Inventories :** Stock of land is valued at cost. Stock of Equity Shares valued at cost or reliable value whichever is lower.

## **(j) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **(i) Financial assets**

#### **Recognition and Initial Measurement:**

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value and in the case of financial assets not recorded at fair value through profit or loss, at the transaction costs that are attributable to the acquisition of the financial asset.

#### **Classification and Subsequent Measurement:**

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL);
- Equity Instruments are measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- **Measured at Amortized Cost:** A debt instrument is measured at the amortized cost if both the following conditions are met:
  - the asset is held within a business model whose objective is achieved by collecting contractual cash flows; and
  - the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

- **Measured at FVTOCI:** A debt instrument is measured at the FVTOCI if both the following conditions are met:
  - the objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
  - the asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- **Measured at FVTPL:** FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.
- **Equity Instruments measured at FVTOCI:** All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

#### **Derecognition**

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset substantially with all the risks and rewards of ownership of the asset to another entity.

### **Impairment of Financial Assets**

The Company assesses on a forward looking basis the expected credit losses (ECL) associates with its debt instruments carried at amortised cost and with the exposure arising from loan commitments and other financial assets. The company recognises a loss allowance for such losses at each reporting date.

The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. the likelihood of customer defaulting and the resulting losses).

### **Write-off policy**

The Company writes off financial assets, in whole or part, when it has exhausted all practical recovery efforts and has conducted there is no reasonable expectation of recovery.

## **(ii) Financial Liabilities**

### **Recognition and Initial Measurement:**

Financial liabilities are classified, at initial recognition, at fair value through profit or loss - loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

### **Subsequent Measurement:**

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on derecognition is also recognized in statement of profit or loss.

### **Financial Guarantee Contracts**

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

### **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counter-party.

## **(k) Investment in subsidiaries, associates and joint ventures**

The Company accounts for its investments in associates at cost less accumulated impairment, if any.

## **(l) Earning per Share**

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

## **(m) Impairment of non-financial assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal

and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**(n) Provision, Contingent Liabilities and Contingent Assets, legal or constructive**

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The company makes provision for Standard, Restructured and Non-performing Assets as per the Non-Systematically Important Non-Banking Financial (Non Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015, as amended from time to time. The company also makes additional provision, to the extent considered necessary, and based on the management's best estimate.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable

**(o) Critical estimates and judgements**

The Company makes estimates and assumptions that affect the amounts recognised in the Standalone Ind AS financial statements, and the carrying amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Management also makes certain judgements, apart from those involving estimations, in the process of applying the accounting policies. Judgements that have most significant effect on the amount recognised in the Standalone Ind AS financial statements and estimates that can cause a significant adjustment to the carrying amount of assets and liabilities within the next financial year include the following;

**Estimation of fair value of unlisted investment**

The fair value of financial instrument that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period and also for, details of key assumptions used and the impact of changes to these assumptions.

**Impairment of financial assets using the expected credit loss method**

The impairment provisions for financial assets are based on assumptions about risk of default and expected credit loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's history, existing market condition as well as forward looking estimates at the end of each reporting period.

**(p) Segment reporting**

The Company operates in only one segment i.e. investment and finance.

(a) As per terms of settlement between the Company and West Bengal State Electricity Board ('WBSEB'), WBSEB had agreed to provide concession of Rs 375 lakhs approx. in respect of maximum demand charges from August, 1982 onwards, if granted to other Mini Steel Plants by the Court or otherwise. As per the order dated 10th December, 1986, the Hon'ble Court at Kolkata had directed WBSEB to modify and amend maximum demand charges claimed by them from other Mini Steel Plants against which WBSEB preferred an appeal. The appeal filed by WBSEB has been allowed by the Court. The other Mini Steel Plants have filed special leave petition before the Hon'ble Supreme Court, which is pending. The Company is expecting substantial relief on this account, which will be accounted for on finality of the matter. Pending this, the arrear Maximum Demand charges, as amicably settled with WBSEB, have been paid by the Company. Liability of interest/late payment surcharge on this account being not finally determined, no provision thereof has been made in the accounts with effect from 01.04.1989.

(b) The matter with regard to Company's claim for interest on Rs 23.63 lakhs being amount refunded by WBSEB against provisional bills for the months June, 1988 to December, 1988 is pending before the Hon'ble Court at Kolkata which will be accounted for on finality of the matter.

27. The agreement for godown at Paharpur taken on Lease from Kolkata Port Trust (KPT) has been expired in 2002 and the same is yet to be renewed by KPT. The Company have filed a petition before the Alipore District Court, Kolkata for renewal of lease which is pending before the Court. As per Direction of the said Court, the Company has deposited a sum of Rs 25 Lakhs with the Registrar, pending outcome of the matter. KPT has also claimed compensation of Rs 1.36 Crores pertaining to the period 15.09.2002 to 26.08.2009. Further the said Court has also directed the Company to pay Rs 25000/- as monthly rent to KPT which the company has been regular in payment. The godown has been subleased to West Bengal State Warehousing Corporation (WBSWC) and the tenant has given rent till June, 2009 and thereafter no rent has been received from them. The company has filed suit against WBSWC for recovery and eviction of the said tenant which has been disposed by the District Court and decree obtained but appeal has been filed by the tenant in High Court during the year for stay of operation of the Order which is pending for disposal. No rental income on the godown has been accounted for in the accounts till certainty of recovery.

As per direction of the Estate Officer, the company paid Rs 12 Lakhs to KPT towards arrear rent. KPT has claimed compensation of Rs 278.05 Lakhs for the period from June,1998 to May,2006, which was contested by the company. No accounting for the same has been done by the Company. The portion of the godown was sub-leased to M/s.Jogendra Prasad Nayak & Sons who have vacated the godown and settled their dues in installments as per Settlement Agreement, but last installment is still pending. The balance area has been sub-leased to International Blending & Warehousing Corporation, who has not paid rent since July,1985 and is still occupying the area. The Company has filed suit against the aforesaid tenants for recovery/eviction, which is pending for disposal. In cases of ongoing disputes and non-receipt, the rental income from aforesaid tenants is not accounted for till certainty of recovery thereof. Management feels it is prudent not to account for, until receipt.

29. Balance in respect of certain Loans and Advances, Sundry Debtors are subject to confirmation from the respective parties and as such the recoverability thereof is unascertainable. Certain balances appearing in Sundry creditors, advance from customers' accounts, are also subject to confirmation.

30. The Company have sub-leased the godowns at Taratala and Paharpur taken on lease from Kolkata Port Trust to various parties who have defaulted in payment of rent. The Company has filed legal cases on the sub-tenants for recovery of the same and shall be accounted for as and when recovered by the Company.

**31. Segment Reporting**

#### B. Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

**(i) Market Risk**

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

**Foreign currency risk**

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. Currently the Company does not have any foreign currency exposure.

**Interest rate risk**

The main business of the Company is providing inter corporate deposits and investment in equity shares, preference shares, Mutual fund and Alternative investment fund. These activities expose to interest rate risk.

Interest rate risk is measured through earnings at risk from an earning perspective. The Company monitors the change in economic value of equity arising out of change in the Interest rate. Further, an interest rate sensitivity gap analysis is done by classifying all rate sensitive assets into various time period categories according to earliest of contracted/behavioural maturities or anticipated re-pricing date. The difference in the amount of rate sensitive assets maturing or being re-priced in any time period category, gives an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets. The Company monitors interest rate risk through above measures on regular intervals.

Further there is no borrowing availed by the company during the year as well as previous year, hence no interest rate risk arise relating to financial liabilities.

**Equity Price Risk**

Equity price risk is related to change in market reference price of investments in equity securities held by the Company.

The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as "fair value through other comprehensive income" as at March 31, 2022 and March 31, 2021 was Rs. 53.93 crores and Rs. 42.85 crores, respectively.

A 10% change in equity prices of such securities held as at March 31, 2022 and March 31, 2021, would result in an impact of Rs. 5.39 crores and Rs. 4.28 crores respectively on equity before considering tax impact.

**(ii) Liquidity Risk**

Liquidity risk is the risk than an entity will encounter difficulty in meeting obligation associated with financial liabilities that are settled by delivering cash or other financial assets. The Company mitigates its liquidity risks by ensuring timely collections of its receivables and close monitoring of its credit cycle.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date:

Particulars	Amount in Rs Lakhs				Total
	Carrying value	On Demand	Less than 1 year	Beyond 1 year	
<b>As at 31st March, 2022</b>					
Other Financial Liabilities	2,419.98	2,419.98	-	-	2,419.98
<b>As at 31st March, 2021</b>					
Other Financial Liabilities	2,419.98	2,419.98	-	-	2,419.98

**(iii) Credit Risk**

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

Financial instruments that are subject to credit risk and concentration thereof principally consist of rent receivables, loans receivables, investments in alternative investment fund, preference share and mutual funds and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk except some loans made by the company and against which sufficient provision for expected credit loss has been made.

The carrying value of financial assets represents the credit risk. The exposure to credit risk was Rs. 3323.18 Lakhs and Rs. 4129.17 Lakhs, as at March 31, 2022 and March 31, 2021 respectively, being the total carrying value of rent receivables, investments in alternative investment fund, mutual funds, preference share, loans, and other financial assets.

**(iv) Capital Management Risk**

The Company's policy is to maintain a strong capital base for future development of the business considering capital adequacy requirement as mandated by Reserve Bank of India from time to time. For the purpose of Company's capital management, capital includes issued capital and all other equity attributable to equity shareholders of the Company. As at 31st March, 2022, the Company has only one class of equity shares.

**(v) Expected Credit Loss**

Ind AS 109 outlines a 'three stages' model for impairment based on changes in credit quality since initial recognition as summarized below. The objective of the impairment requirements is to recognize life time expected credit loss (ECLs) on all financial instruments for which there have been significant increases in credit risk since initial recognition – whether assessed on an individual or collective basis.

At the reporting date, an allowance (or provision for loan and advances) is required on stage 1 assets at 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognised for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components:

- (i) Probability of Default (PD)
- (ii) Loss Given Default (LGD) and
- (iii) the Exposure At Default (EAD).

The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD.

The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively.

The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities.

The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

**Probability of default** represents the likelihood of a borrower defaulting on its financial obligation either over the next 12 months (12M PD) or over the remaining lifetime (Lifetime PD) of the obligation.

**Exposure at Default (EAD)** is the total amount of an asset the entity is exposed to at the time of default. EAD is defined based on the characteristics of the assets. EAD is dependent on the outstanding exposure of an asset sanctioned amount of loan and credit conversion factor for non-funded exposure.

**Loan Given Default (LGD)** it is part of the assets which is lost provided the assets default. The recovery rate is derived as a ratio of discounted value of recovery cash flow (incorporating the recovery time) to total exposure of amount at the time of default.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

- i. Quantitative test: Rebuttable presumption for accounts that are 30 calendar days or more past due move to Stage 2 automatically. Also, rebuttable presumption for accounts that are 90 calendar days or more past due move to Stage 3 automatically.
- ii. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behaviour exhibit credit distress.
- iii. Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the RBI definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due. The Company continues to incrementally provide for the asset post initial recognition in Stage 3, based on its estimate of the recovery.

37. Particulars as required in terms of Paragraph 19 of Non- Systemically Important Non Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2016 are given by way of Annexure to the financial statements.

**38. Employee benefits**

**(i) Compensated absences**

The Company provides for accumulation of leave by certain categories of its employees. These employees can carry forward a portion of the unutilised leave balances and utilise it in future periods or receive cash in lieu thereof as per the Company's policy. The Company records a provision for leave obligations in the period in which the employees render the services that increases this entitlement.

The total provision recorded by the Company towards this obligation was Rs 14.69 lakhs (Previous Year: Rs. Nil). Based on past experience and in keeping with Company's practice, the Company does not expect all employees to take full amount of accrued leave or require payment within the next twelve months, and accordingly the total year end provision as determined on actuarial valuation.

**(ii) Post-employment defined benefit plan  
Gratuity**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. Eligible employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service.

## **Report on the Audit of the Consolidated Financial Statements**

### **Qualified Opinion**

We have audited the accompanying Consolidated financial statements of **M/s. Adventz Securities Enterprises Limited** (“the Company”) and its associate which comprise the Consolidated Balance Sheet as at March 31, 2022, and the Consolidated Statement of Profit and Loss (including other Comprehensive Loss) , the Consolidated Statement of Changes in Equity and the Consolidated Cash Flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2022, of Consolidated Loss and (including other Comprehensive Loss), Consolidated Changes in Equity and its Consolidated Cash Flows for the year the ended.

### **Basis for Qualified Opinion**

3. Rent under dispute and unascertainable as per management has not been accounted for
4. Land at Kolkata held as stock has been encroached upon and is yet to be mutated in the name of the company the same has been stated at Historical cost and not as per valuation determined as per ‘IND AS-2 Inventory’

Impacts with respect to 1 and 2 as mentioned above are presently not ascertainable and as such cannot be commented upon by us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on Consolidated Financial Statement.

### **Emphasis of Matter**

We draw attention to the notes to the financial statement regarding –

- g. The security deposits given include Rs. 1.72 lakhs which have been taken at historical cost as the contracts have expired and further details are not available. The impact and consequential adjustment thereof are not presently ascertainable. (Refer Note 9 to the financial statements).
- h. Borrowings include Long term unsecured loan of Rs. 184.32 lacs which are subject to confirmation. Repayment dates of such loans have lapsed since long. Further interest and penal charges has not been provided. (Refer Note 10 to the financial statements)
- i. Lease at paharpur godown has not been renewed by Kolkata port trust (KPT) and KPT also has claimed compensation of Rs. 1.36 crores. The company is making payment currently as per direction of the court. The godown has been subleased by the company and process of recovery for rent & eviction suit has been initiated against the tenant which has been disposed by the District Court and decree obtained but appeal has been filed by the tenant in High Court during the year for stay of operation of the Order which is pending for disposal. No rental income on the godown has been accounted for in the account till certainty of recovery for which decree has

been obtained by the company but yet to be executed for rectification. The impact and consequential adjustment thereof are not presently ascertainable (Refer Note 27 to the financial statements.)

- j. Kolkata Port Trust (KPT) has served eviction notice relating to lease of Taratalla godown. Compensation has been claimed by KPT which neither been paid nor accounted for. The sub tenant to whom it has been subleased has not paid rent since July, 1985 and suit for recovery/eviction notice is pending before court. The impact and consequential adjustment thereof are not presently ascertainable. (Refer Note 28 to the financial statements)
- k. Non-Provision of liability of interest / late payment surcharge, on the amount of amicably settled maximum demand charges paid by Company and Company's claim of interest on amounts refunded by WBSEB against provisional bills, since the matter remains unresolved and amounts being unascertainable. (Refer Note 26 to the financial statements)
- l. Due to change in policy for accounting of employee Benefit as per IND AS – 19 which was not being done till the previous accounting year, reserve of the Company have decreased by Rs. 45.09 lacs and liability have increased by Rs 53.44 lacs (Refer Note 11 & 37 of the financial statements).

Our opinion is not modified in respect of matter stated in points (a) to (f) under “Emphasis of Matter” section of our report.

#### Key Audit Matters :

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed and communicated with management in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	How our audit addressed the Key Audit Matter
1	<p><b>Revenue Recognition on interest income, dividend income and gain/ sale of investments</b></p> <p>We focused on this area because of its majority in determining the company's revenue and risk of under/over estimation of revenue</p>	<p>We reviewed the process adopted for assuring the consistency in approach between accounting periods. Our tests included:</p> <ul style="list-style-type: none"> <li>• Assessing compliance of company's revenue recognition accounting policies with applicable accounting standards.</li> <li>• Reviewing interest income based on agreement entered into with the major clients</li> <li>• Reviewing and assessing regarding interest income to be booked correctly on time proportion basis after taking into account the amount outstanding and the rate applicable</li> </ul>
2.	<p><b>Valuation and Existence of Investments –</b></p> <p>We have focused on the valuation and existence of the investments in Equity, Preference Shares and Mutual Funds because these represent a principal element on the net assets in the Financial Statements.</p>	<ul style="list-style-type: none"> <li>• Checking the accuracy of various reconciliations carried out on sale of investments. Reconciling the amount of profit and/or loss in case of sale of investment based on evidentiary documents available of those investments.</li> <li>• Considered the appropriateness and accuracy of interest and dividend as recorded in the relevant records</li> <li>• Verifying the disclosure in accounting records with various supporting documentation</li> <li>• We obtained independent confirmation of the number of units held and net asset value per unit for each of the mutual fund units and market value for shares as at the yearend date, confirmation of shares and its market value.</li> <li>• We have also obtained the most recent set of audited financial statements for unquoted investments.</li> </ul> <p><b>Conclusion:</b> Our applied procedures did not indicate any material deviations.</p>

## **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Consolidated Financial Statements and our auditors' report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

## **Responsibility of Management and Those charged with Governance for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, Consolidated Financial performance and Consolidated Cash Flows of the companies in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Companies, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies are responsible for assessing the ability of the companies including its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the company and of its associates are responsible for overseeing the financial reporting process of the companies.

## **Auditor's Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs we exercise professional judgement and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk

of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the interim consolidated financial statements, including the disclosures, and whether the interim consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the companies to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditor's such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the companies included in the consolidated financial statements of which we are the independent auditors regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the interim consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the Consolidated Financial Statement.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and report on other auditors except for the possible effects of the matters described in *Basis for Qualified Opinion* section of our report.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other Comprehensive Loss), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books.
- d) In our opinion, the aforesaid Consolidated financial statements comply with the IndAs specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 except for the possible effects of the matters described in *Basis for Qualified Opinion* section of our report.
- e) On the basis of the written representations received from the directors of the Company as on 31<sup>st</sup> March, 2022 taken on record by the Board of Directors of the Company and report of the Statutory Auditors of the Associate company incorporated in India none of the directors of the Group Companies incorporated in India are disqualified as on 31<sup>st</sup> March, 2022 from being appointed as a director in terms of section 164(2) of the Act.
- f) The matters described in the Basis for Qualified opinion paragraph above, can have an adverse effect on the profit/loss and corresponding effect on the assets and liabilities of the Company.
- g) With respect to the adequacy of the over financial reporting of the Company and its associate and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- h) With respect to the other matter to be included in the Auditor's report in accordance with the requirements of Section 197(16) of the act, as amended, in our opinion and to the best of our information and according to the explanations given to us, there has been no remuneration paid by the company to its directors / manager during the year and accordingly reporting under section 197(16) of the Act is not applicable to the Company–
- i) With respect to the other matters to be includes in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
- i. The Company and its associate has disclosed the impact of pending litigations which would impact its financial position in Note no. 22, 23, 26, 27 & 28 to the financial statements.
  - ii. The company and its associates have made provision, as required under the applicable laws or IND AS, for material foreseeable losses, if any, on long term contracts including derivative contracts.
  - iii. The company and its associate have no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. As per the management representation provided, we report,
    - no funds have been advanced or loaned or invested by the company or its associate to or in any other person(s) or entities, including foreign entities ("intermediaries"), with the understanding that the intermediaries shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
    - no funds have been received by the company or its associate from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.

- Based on the audit procedures performed, we report that nothing has come to our notice that has caused us to believe that the representations given by management under the above sub-clauses contain any material mis-statement.
- As per the records of the Company or its associate no dividend has been declared or paid during the year.

## **Annexure A to the Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Adventz Securities Enterprises Limited ('the Company') and its associate company incorporated in India as on 31<sup>st</sup> March, 2022, as of that date

#### **Management's Responsibility for Internal Financial Controls**

The respective board of Directors of the company including its associate company's management are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operative effectiveness.

Our audit of internal Financial Controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion of the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in responsible detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are records as necessary to permit preparation of financial statements in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to

error or fraud may occur and nor be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company and its associate company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# ADVENTZ SECURITIES ENTERPRISES LIMITED

## Notes to the consolidated financial statements for the year ended 31st March, 2022

### 2. A. COMPANY OVERVIEW

Adventz Securities Enterprises Limited ('the Company'), incorporated in Kolkata under the provisions of the Companies Act, 1956 having CIN No. L36993WB1995PLC069510, is a publicly held non-banking finance company listed on Calcutta Stock Exchange Limited, Delhi Stock Exchange Limited (Being Derecognised) and Metropolitan Stock Exchange of India Limited. The Company is registered as non-systematically important non-deposit taking Non-Banking Financial Company ('NBFC') as defined under Section 45-IA of the Reserve Bank of India Act, 1934.

### 2. B. SIGNIFICANT ACCOUNTING POLICIES

The Company has followed the same accounting policies in preparation of the consolidated financial statements as those followed in preparation of the annual financial statements as at and for the year ended 31st March, 2022. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Basis of Preparation and Presentation of the Consolidated Ind AS Financial Statement**

**a) i) Basis of preparation of consolidated financial statements :** The Consolidated Financial Statements have been prepared in accordance with IND AS - 110 on "Consolidated Financial Statements" and IND AS - 28 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the Institute of Chartered Accountant of India and notified pursuant to the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016, as amended from time to time, in this regard.

The details are as given below :

<u>Name of the Company</u>	<u>Country of Incorporation</u>	<u>Voting Power</u>
Adventz Finance Private Limited	India	26.08%

Investments in Associates are accounted in accordance with IND AS - 28 on "Accounting for Investments in Associates in Consolidated Financial Statements", under "equity method".

The difference between cost of investment in the associates, over the net assets at the time of acquisition of shares in the subsidiaries is identified in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.

#### **(ii) Compliance with Ind AS**

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") 34, Interim Financial Reporting notified under Section 133 of the Companies Act, 2013 ("the Act") read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act and other Generally Accepted Accounting Principles (GAAP) in India.

#### **(iii) Historical Cost Convention**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except certain financial assets and liabilities that is measured at fair value;

- Financial assets at Fair value through other comprehensive income (FVTOCI) that is measured at fair value
- Financial instruments at Fair value through profit and loss (FVTPL) that is measured at fair value
- Net defined benefit (assets)/liability – fair value of plan assets less present value of defined benefit obligation

#### **(iv) Use of Estimates**

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities (including contingent liabilities and assets) as on the date of the financial statements and the reported income and expenses for the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

**(v) Fair value measurements**

Fair value is the price that would be received on sale of an asset or paid on derecognition of a liability in an orderly transaction between market participants at the measurement date under current market conditions. The Company categorises assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurements.

**Level 1:** Quoted prices (unadjusted) in active market for identical assets or liabilities.

**Level 2:** Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. available prices) or indirectly (i.e. derived from estimation).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

**Level 3:** Inputs for the assets or liabilities that are not based on observable market data.

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is applicable to listed instruments where market is not liquid and for unlisted instruments.

The management considers the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements are at their approximate fair value as on March 31, 2022 and March 31, 2021.

There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

**(vi) Functional and Presentation currency**

These financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

**(b) Cash & Cash Equivalents and Cash Flow Statement**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cashflows from operating, investing and financing activities of the Company are segregated.

**(c) Accounting for Taxes on Income**

Income Tax expense or credit for the period is the tax payable on the current period taxable income based on the applicable Income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

**(iii) Current Tax**

Current tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

**(iv) Deferred Tax**

Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.

Deferred tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

#### **(d) PROPERTY, PLANT AND EQUIPMENT**

##### **(i) Tangible Assets**

###### **Recognition and Measurement**

Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at historical cost less any accumulated depreciation and accumulated impairment losses (if any). Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

###### **Subsequent Measurement**

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

###### **Depreciation and Amortization**

Depreciation on Property, Plant & Equipment is provided under Written Down Method at rates determined based on the useful life of the respective assets and the residual values in accordance with Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation. The estimated useful lives of assets for the current period are as follows:

<b>Category</b>	<b>Useful Life</b>
Furniture & Fixtures	10 Years
Vehicles	8 Years
Office Equipments	
- Computers	3 Years
- Fax Machine	5 Years
- Others	5 Years

Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

## **Disposal of Assets**

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

### **(e) Leases**

Where the company is the lessee

The Company recognises right of use asset and a corresponding lease liability for all lease agreements in which it is a lessee, except for leases with a term of twelve months or less ( short term lease) and leases for low value underlying assets. For these short term leases and leases for low value underlying assets, the company recognises the lease payments as an operating expense on a straight line basis over the term of the lease. Right of use assets and lease liabilities include the option of extension/termination when it is reasonably certain that the option to extend the lease will be exercised/option to terminate the lease will not be exercised.

The right of use assets are initially recognised at cost, which comprise the initial amount of lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct cost less any lease incentive. They are subsequently measured at cost less accumulated depreciation/amortization and impairment loss. Right-of-use assets are depreciated/amortized from the commencement date to the end of the useful life of the underlying assets by the end of the lease term or if the cost of right of use assets reflects that the purchase option will be exercised. Otherwise, right of use assets are depreciated/amortized from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying assets.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

The lease liability is initially measured at amortized cost at the present value of future lease payments. The lease payments are discounted using the interest rate implicit in the lease or if not readily determinable, using the incremental borrowing rate. Lease liabilities are re-measured with a corresponding adjustment to the related right to use the assets if the company changes its assessment whether it will exercise an extension or a termination option.

The Assets and liabilities taken on lease where the leases have expired, the rental expenses have been measured on straight line basis as per terms of the original lease.

### **(f) Finance Cost**

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

### **(g) Revenue Recognition**

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when the Company satisfies the performance obligation by transferring the promised goods or service to a customer.

#### **(vi) Interest Income**

Interest income is recognised using the effective interest rate, except in the case of non-performing assets where it is recognized, upon realization, as per the Prudential Norms/Directions of RBI, as applicable to NBFC's.

#### **(vii) Dividend Income**

Dividend income is recognised when the right to receive payment is established.

#### **(viii) Rental Income**

Rental income is recognised in the statement of profit and loss on a straight line basis over the lease term, unless disputed.

**(ix) Income from investment**

Profit / (loss) earned from sale of securities is recognised on the trade date. The cost of securities is computed based on weighted average basis.

**(x)** All other income are accounted for on accrual basis when right to receive is established unless otherwise specified.

**(h) Employee Benefits**

**(i) Short-term Employee Benefits :**

Liabilities for short-term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

**(ii) Post-employment benefits :**

The liability or asset recognised in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Defined contribution plans

Contributions under defined contribution plans payable in keeping with the related schemes are recognised as expenses for the period in which the employee has rendered the service.

**(iii) Other long-term employee benefits**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured annually by actuaries as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

**i) Inventories :** Stock of land is valued at cost. Stock of Equity Shares valued at cost or reliable value whichever is lower.

**(j) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**(iii) Financial assets**

**Recognition and Initial Measurement:**

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value and in the case of financial assets not recorded at fair value through profit or loss, at the transaction costs that are attributable to the acquisition of the financial asset.

**Classification and Subsequent Measurement:**

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL);
- Equity Instruments are measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:
  - the asset is held within a business model whose objective is achieved by collecting contractual cash flows; and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.
- Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:
  - the objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
  - the asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.
- Equity Instruments measured at FVTOCI: All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

### **Derecognition**

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset substantially with all the risks and rewards of ownership of the asset to another entity.

### **Impairment of Financial Assets**

The Company assesses on a forward looking basis the expected credit losses (ECL) associates with its debt instruments carried at amortised cost and with the exposure arising from loan commitments and other financial assets. The company recognises a loss allowance for such losses at each reporting date.

The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecast of future economic conditions.

The measurement of the ECL allowance is an area that requires the use of complex models and significant assumptions about future economic conditions and credit behaviour (e.g. the likelihood of customer defaulting and the resulting losses).

### **Write-off policy**

The Company writes off financial assets, in whole or part, when it has exhausted all practical recovery efforts and has conducted there is no reasonable expectation of recovery.

**(iv) Financial Liabilities**

**Recognition and Initial Measurement:**

Financial liabilities are classified, at initial recognition, at fair value through profit or loss - loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**Subsequent Measurement:**

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss. Any gain or loss on derecognition is also recognized in statement of profit or loss.

**Financial Guarantee Contracts**

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

**Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

**Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counter-party.

**(l) Investment in subsidiaries, associates and joint ventures**

The Company accounts for its investments in associates at cost less accumulated impairment, if any.

**(l) Earning per Share**

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

**(m) Impairment of non-financial assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher on an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**(n) Provision, Contingent Liabilities and Contingent Assets, legal or constructive**

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The company makes provision for Standard, Restructured and Non-performing Assets as per the Non-Systematically Important Non-Banking Financial (Non Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015, as amended from time to time. The company also makes additional provision, to the extent considered necessary, and based on the management's best estimate.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable

**(o) Critical estimates and judgements**

The Company makes estimates and assumptions that affect the amounts recognised in the Consolidated Ind AS financial statements, and the carrying amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Management also makes certain judgements, apart from those involving estimations, in the process of applying the accounting policies. Judgements that have most significant effect on the amount recognised in the Consolidated Ind AS financial statements and estimates that can cause a significant adjustment to the carrying amount of assets and liabilities within the next financial year include the following;

**Estimation of fair value of unlisted investment**

The fair value of financial instrument that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period and also for, details of key assumptions used and the impact of changes to these assumptions.

**Impairment of financial assets using the expected credit loss method**

The impairment provisions for financial assets are based on assumptions about risk of default and expected credit loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's history, existing market condition as well as forward looking estimates at the end of each reporting period.

**(p) Segment reporting**

The Company operates in only one segment i.e. investment and finance.

This includes Rs 1.09 Lakhs of Central Excise liability though confirmed by appellate authorities, but since the verification to determine the final liability is pending, provision thereof shall be made only on confirmation. Similarly, pending finality of the other matters; no provision has been made for these in the accounts.

24. Provision for accrued liability of gratuity and leave encashment has been made in the accounts as per Actuarial Valuation Report.

25. Capital commitment over right and entitlement over constructed area in the Ishwarnagar Property in New Delhi is Nil (Previous year Nil) after netting off advances. The advances of Rs 98 Lakhs (Previous Year Rs 98 Lakhs) paid by the Company for the said acquisition is outstanding for a long time and doubtful of transaction being completed necessary provision made in the accounts.

**26.**

(a) As per terms of settlement between the Company and West Bengal State Electricity Board ('WBSEB'), WBSEB had agreed to provide concession of Rs 375 lakhs approx. in respect of maximum demand charges from August, 1982 onwards, if granted to other Mini Steel Plants by the Court or otherwise. As per the order dated 10th December, 1986, the Hon'ble Court at Kolkata had directed WBSEB to modify and amend maximum demand charges claimed by them from other Mini Steel Plants against which WBSEB preferred an appeal. The appeal filed by WBSEB has been allowed by the Court. The other Mini Steel Plants have filed special leave petition before the Hon'ble Supreme Court, which is pending. The Company is expecting substantial relief on this account, which will be accounted for on finality of the matter. Pending this, the arrear Maximum Demand charges, as amicably settled with WBSEB, have been paid by the Company. Liability of interest/late payment surcharge on this account being not finally determined, no provision thereof has been made in the accounts with effect from 01.04.1989.

(b) The matter with regard to Company's claim for interest on Rs 23.63 lakhs being amount refunded by WBSEB against provisional bills for the months June, 1988 to December, 1988 is pending before the Hon'ble Court at Kolkata which will be accounted for on finality of the matter.

27. The agreement for godown at Paharpur taken on Lease from Kolkata Port Trust (KPT) has been expired in 2002 and the same is yet to be renewed by KPT. The Company have filed a petition before the Alipore District Court, Kolkata for renewal of lease which is pending before the Court. As per Direction of the said Court, the Company has deposited a sum of Rs 25 Lakhs with the Registrar, pending outcome of the matter. KPT has also claimed compensation of Rs 1.36 Crores pertaining to the period 15.09.2002 to 26.08.2009. Further the said Court has also directed the Company to pay Rs 25000/- as monthly rent to KPT which the company has been regular in payment. The godown has been subleased to West Bengal State Warehousing Corporation (WBSWC) and the tenant has given rent till June, 2009 and thereafter no rent has been received from them. The company has filed suit against WBSWC for recovery and eviction of the said tenant which has been disposed by the District Court and decree obtained but appeal has been filed by the tenant in High Court during the year for stay of operation of the Order which is pending for disposal. No rental income on the godown has been accounted for in the accounts till certainty of recovery.

28. The agreement for godown at Taratala taken on lease from KPT has expired in 1998 and eviction notice issued by KPT. As per direction of the Estate Officer, the company paid Rs 12 Lakhs to KPT towards arrear rent. KPT has claimed compensation of Rs 278.05 Lakhs for the period from June,1998 to May,2006, which was contested by the company. No accounting for the same has been done by the Company. The portion of the godown was sub-leased to M/s.Jogendra Prasad Nayak & Sons who have vacated the godown and settled their dues in installments as per Settlement Agreement, but last installment is still pending. The balance area has been sub-leased to International Blending & Warehousing Corporation, who has not paid rent since July,1985 and is still occupying the area. The Company has filed suit against the aforesaid tenants for recovery/eviction, which is pending for disposal. In cases of ongoing disputes and non-receipt, the rental income from aforesaid tenants is not accounted for till certainty of recovery thereof. Management feels it is prudent not to account for, until receipt.

29. Balance in respect of certain Loans and Advances, Sundry Debtors are subject to confirmation from the respective parties and as such the recoverability thereof is unascertainable. Certain balances appearing in Sundry creditors, advance from customers' accounts, are also subject to confirmation.

30. The Company have sub-leased the godowns at Taratala and Paharpur taken on lease from Kolkata Port Trust to various parties who have defaulted in payment of rent. The Company has filed legal cases on the sub-tenants for recovery of the same and shall be accounted for as and when recovered by the Company.

#### B. Financial Risk Management

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same.

**(i) Market Risk**

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

**Foreign currency risk**

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. Currently the Company does not have any foreign currency exposure.

**Interest rate risk**

The main business of the Company is providing inter corporate deposits and investment in equity shares, preference shares, Mutual fund and Alternative investment fund. These activities expose to interest rate risk.

Interest rate risk is measured through earnings at risk from an earning perspective. The Company monitors the change in economic value of equity arising out of change in the Interest rate. Further, an interest rate sensitivity gap analysis is done by classifying all rate sensitive assets into various time period categories according to earliest of contracted/behavioural maturities or anticipated re-pricing date. The difference in the amount of rate sensitive assets maturing or being re-priced in any time period category, gives an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets. The Company monitors interest rate risk through above measures on regular intervals.

Further there is no borrowing availed by the company during the year as well as previous year, hence no interest rate risk arrive relating to financial liabilities.

**Equity Price Risk**

Equity price risk is related to change in market reference price of investments in equity securities held by the Company.

The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as "fair value through other comprehensive income" as at March 31, 2022 and March 31, 2021 was Rs. 53.93 crores and Rs. 42.85 crores, respectively.

A 10% change in equity prices of such securities held as at March 31, 2022 and March 31, 2021, would result in an impact of Rs. 5.39 crores and Rs. 4.28 crores respectively on equity before considering tax impact.

**(ii) Liquidity Risk**

Liquidity risk is the risk than an entity will encounter difficulty in meeting obligation associated with financial liabilities that are settled by delivering cash or other financial assets. The Company mitigates its liquidity risks by ensuring timely collections of its receivables and close monitoring of its credit cycle.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date:

Particulars	Amount in Rs Lakhs				Total
	Carrying value	On Demand	Less than 1 year	Beyond 1 year	
<b>As at 31st March, 2022</b>					
Other Financial Liabilities	2,419.98	2,419.98	-	-	2,419.98
<b>As at 31st March, 2021</b>					
Other Financial Liabilities	2,419.98	2,419.98	-	-	2,419.98

**(iii) Credit Risk**

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of credit worthiness as well as concentration risks.

Financial instruments that are subject to credit risk and concentration thereof principally consist of rent receivables, loans receivables, investments in alternative investment fund, preference share and mutual funds and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk except some loans made by the company and against which sufficient provision for expected credit loss has been made.

The carrying value of financial assets represents the credit risk. The exposure to credit risk was Rs. 3323.18 Lakhs and Rs. 4129.17 Lakhs, as at March 31, 2022 and March 31, 2021 respectively, being the total carrying value of rent receivables, investments in alternative investment fund, mutual funds, preference share, loans, and other financial assets.

**(iv) Capital Management Risk**

The Company's policy is to maintain a strong capital base for future development of the business considering capital adequacy requirement as mandated by Reserve Bank of India from time to time. For the purpose of Company's capital management, capital includes issued capital and all other equity attributable to equity shareholders of the Company. As at 31st March, 2022, the Company has only one class of equity shares.

**(v) Expected Credit Loss**

Ind AS 109 outlines a 'three stages' model for impairment based on changes in credit quality since initial recognition as summarized below. The objective of the impairment requirements is to recognize life time expected credit loss (ECLs) on all financial instruments for which there have been significant increases in credit risk since initial recognition – whether assessed on an individual or collective basis.

At the reporting date, an allowance (or provision for loan and advances) is required on stage 1 assets at 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognised for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

The measurement of ECL is calculated using three main components:

- (i) Probability of Default (PD)
- (ii) Loss Given Default (LGD) and
- (iii) the Exposure At Default (EAD).

The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD.

The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively.

The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities.

The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

**Probability of default** represents the likelihood of a borrower defaulting on its financial obligation either over the next 12 months (12M PD) or over the remaining lifetime (Lifetime PD) of the obligation.

**Exposure at Default (EAD)** is the total amount of an asset the entity is exposed to at the time of default. EAD is defined based on the characteristics of the assets. EAD is dependent on the outstanding exposure of an asset sanctioned amount of loan and credit conversion factor for non-funded exposure.

**Loan Given Default (LGD)** it is part of the assets which is lost provided the assets default. The recovery rate is derived as a ratio of discounted value of recovery cash flow (incorporating the recovery time) to total exposure of amount at the time of default.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

- i. Quantitative test: Rebuttable presumption for accounts that are 30 calendar days or more past due move to Stage 2 automatically. Also, rebuttable presumption for accounts that are 90 calendar days or more past due move to Stage 3 automatically.
- ii. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behaviour exhibit credit distress.
- iii. Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the RBI definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due. The Company continues to incrementally provide for the asset post initial recognition in Stage 3, based on its estimate of the recovery.

### 37. Employee benefits

#### (i) Compensated absences

The Company provides for accumulation of leave by certain categories of its employees. These employees can carry forward a portion of the unutilised leave balances and utilise it in future periods or receive cash in lieu thereof as per the Company's policy. The Company records a provision for leave obligations in the period in which the employees render the services that increases this entitlement.

The total provision recorded by the Company towards this obligation was Rs 14.69 lakhs (Previous Year: Rs. Nil). Based on past experience and in keeping with Company's practice, the Company does not expect all employees to take full amount of accrued leave or require payment within the next twelve months, and accordingly the total year end provision as determined on actuarial valuation.

#### (ii) Post-employment defined benefit plan

##### Gratuity

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. Eligible employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service.
